

Amandeep Singh

Portfolio | 8587908729 | ads.singh05@gmail.com | LinkedIn

TECHNICAL SKILLS

Programming Languages: Java, JavaScript, Python

Development Express, Nodejs ,Springboot ,Postgres, MongoDB, Flask, Containerization, Reverse Proxy, SQLite, LoginManager, Bootstrap, HelmetJs, Chai.

Relevant skills: React native, Learning Game Development

COURSES UNDERTAKEN

JavaScript Algorithms and Data Structures, OOPs, Functional Programming, Database Management Systems, Quality Assurance and Testing, Information Security with HelmetJs, APIs and Microservices, Responsive Web Design.

EDUCATION

Delhi Technological University

Delhi, India

Bachelor of Technology in Electronics and Communications CGPA : 6.16

July 2016 – June 2020

Amrita Vidyalyayam

Delhi, India

AISSCE (Class XII) Percentage : 91

April 2014 – May 2016

AISSE (Class X) CGPA : 8

EXPERIENCE

Software Engineer Intern at CRIB (Back-end) | May 2019 - June 2019

- On-boarded onto back-end team of Crib, understood business model and the payment life-cycle.
- Learned about the back-end architecture and various infrastructure pieces like Amazon SQS, EC2 and Lambda.
